We bought a two-horse wagon load of home made split bottom chairs, the other day; we offer these substantial chairs at \$4.50 a set. Bishop Bros.

I will sell my stock and personal property on Thursday, March 30, at public auction at my residence one and one-half miles south of New Hampden. Respt. J. N. Stover.
I will sell on March 28th, (Court day) a four-year-old Norman stallion. This horse is a roan, and weighs about 1,400. Terms made known on day of sale. ma44t John C. Swecker.
Oh yes you say, hay and grain are away up, but don't let that keep you from coming to Court Tuesday; Charley Trimble has plenty of both and will give your horse a square feed at reasonable rates.
One of our farmens has a shepherd pup of remarkable intelligence as was shown by a trick it played on its master a few days ago. The youthful canine had, on the morning of the day mentioned, been chastised for disobeying a command. It was its first punishment and doubtless thought it meant "do something." Sore and crestfallen it slunk away presumably to brood over its troubles, but returned late that evening, driving the live stock of the farm up to the house. The dog, it seems, had gone over the farm, gathered up all the available stock and driven it home as stated.

THE LATEST, CHEAPEST AND BEST
IS THE
CYCLONE
POST-HOLE DIGGER
Universally conceded to be the best and only Digger that works to perfection in the softest of sand and the toughest of clay, and unequalled by all others to work in any kind of soil, as the blades are so arranged and made of spring steel, thus allowing them to expand and contract when digging and emptying same.
The handle is so arranged that it can be lengthened to any desired length by adding pipe to it in sections, so that any desired depth can be reached with these Diggers.
It is light, strong, durable and simple (nothing complicated about it), and does twice the work in less time than any other Digger made.

And a good lamp must be simple; when it is not simple it is not good. Simple, Beautiful, Good—these words mean much, but to see "The Rochester" will impress the truth more forcibly. All metal, tough and seamless, and made in three pieces only, it is absolutely safe and unbreakable. Like Aladdin's of old, it is indeed a "wonderful lamp," for its marvelous light is purer and brighter than gas light, softer than electric light and more cheerful than either.
Look for this stamp—THE ROCHESTER. If the lamp dealer has not the genuine Rochester, and the style you want, send to us for our new illustrated catalogue, and we will send you a lamp safely by express—your choice of over 2,000 varieties from the Largest Lamp Store in the World.
